

REMARKS

This application is submitted as a US National Phase Application of PCT Application No. PCT/IL2005/000046, filed on January 13, 2005.

The present amendments are based on the claims published with the International Preliminary Report on Patentability (IPRP) established by the International Examining Authority. The amendments are made to put the claims in proper U.S. form. In the IPRP all the claims were indicated as meeting the criteria of PCT Articles 33(2) - 33(4).

An action on the merits is respectfully awaited.

Respectfully submitted,
B. PESACH et al.,
